THE hearts of everywhere out to Christina Milian when she and music producer **Dream** announced in 2010 that they had parted ways at the end of the previous year, after three years of marriage. The news broke after he was caught frolicking on a beach with his curvy assistant, Melissa Santiago — and less than five months after the birth of their first daughter, Violet.

But that was then. “I’m in a great space now!” Christina told *Star* at the Joico On the Go Beauty Mother’s Day Celebration in L.A. on May 7. “I’ve learned that I’m strong.” And the singer
